New Social Sciences Data Services Librarian

The Penn Libraries are pleased to announce the appointment of Christine Murray to the position of Social Sciences Data Services Librarian.

A member of the Research and Instructional Services department in the Van Pelt-Dietrich Library Center, Christine provides reference, outreach, and instructional services related to numeric and spatial data in the social sciences, including U.S. Census information, Philadelphia city data, and other government and academic statistics. She also serves as the contact for Penn's programs in Urban Studies and Criminology.

Please feel free to contact her with questions or requests regarding data or GIS, at chrmur@upenn.edu or 215-573-3232.

Contacting the PSC Library Staff

The Library Staff asks that you please use the email address psc_library@mailman.ssc.upenn.edu for all requests for assistance. Email sent to this address is received by both Nykia and Addie so your request can be handled in the most timely manner.

The New PSC Website is Live

The new Population Studies Center, Population Aging Research Center, and Graduate Group in Demography websites have been launched. We will continue to make improvements and changes to the sites through the coming weeks. We are also happy to meet with you if you want to develop a research project website. Watch for our new online Publications database coming soon.

Please send any comments and questions to psc_library@mailman.ssc.upenn.edu.

Welcome, New PSC People!
